Registration

We strive to provide the best programming and events for children and families. You can help us accomplish this goal by registering for each event or program.

Parents can find out how to register by contacting the Director of Children or Family Ministries.

Child Care Requests

We love to provide child care for our ministry groups and studies. Sign up for this service is always required for each event. Please contact the ministry leader to have them complete a child care request form. Child Care Request forms are provided both in the nursery and the church office.

Ministries of

Mayfield United Methodist Church

Building Hearts of Faith

Our Mission is to guide each child to discover Christ's LOVE personally so that they grow, and they will not turn from it.

Our goal is to create an environment of acceptance and joy so that the children will be open to learn about Christ's

Love and Ways.

**Infants:
Birth to 24 months**

Our Noah's Ark nursery is operated by loving, capable, staff (paid and volunteer). We strive for a clean and uncluttered environment for the

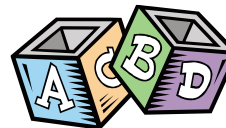

youngest members of our church family. We believe that even as babies, they can learn about God's love from those who hold them and make them feel safe and loved.

A private nursing room is located off the nursery.

Toddlers:

Children 2-3 years

For this age, in our Mustard Seed Room, we not only offer loving attention and age-appropriate toys and equipment, but also Bible lessons, songs, and crafts are often incorporated into their time. We believe that this age is already open to hearing God's story and how much God loves them through God's Son, Jesus Christ.

Kid Possible

Sometimes the right agent for the job is a kid.

At the Kid Possible Agency children (kindergarten –3rd grade) will be challenged to TRUST in God's Plans, UNITE with God's People, TRAIN for God's Service, FOLLOW in God's Path and LEAD Others to God's Promises! On top of that, we will be helping our agents learn about how to have courage to serve God as His special agents through various mission projects.
